Mr. Tom Conlon
NDSU Dickinson Research Center
P.O. Box 1117
Dickinson, ND 58601

Dear Tom:

Enclosed is a brief summary of our yield results from the 4-year erosion study conducted on Section 24 of the Ranch Headquarters. We are still working on the soil characterizations and data analysis of the spring and fall soil moisture and NO_3^- -N levels.

Please give me a call if you have any questions.

Sincerely,

Larry J. Cihacek
Associate Professor
