

How to make a 9-1-1 emergency phone call

- 1.** Call 9-1-1.
- 2.** Listen and stay calm.
- 3.** Tell the dispatcher your full name and your emergency.
- 4.** Tell the dispatcher where you are.
- 5.** Answer the dispatcher's questions. Give as much information as you can.
- 6.** Give the dispatcher your phone number and your parent/guardian's phone number.
- 7.** Stay on the phone until you are told it is safe to hang up.
