| Which variety?              | Hurakan | Mexicana | Same | Comments |
|-----------------------------|---------|----------|------|----------|
| Germinated best?            |         |          |      |          |
| Had healthier plants?       |         |          |      |          |
| Produced the first fruits?  |         |          |      |          |
| Produced higher yields?     |         |          |      |          |
| Had more attractive fruits? |         |          |      |          |
| Tasted better?              |         |          |      |          |

| Overall Performance Rating   | Hurakan | Mexicana |
|--|---------|----------|
| Rate each variety on a scale of 1 to 10, with 1 = poor and 5 = good and 10 = excellent. <i>Don't give both a "10". Be very critical!</i> |         |          |

| Preference   |                |                 |
|--|----------------|-----------------|
| Circle the variety you prefer. <i>Don't circle both—make a choice!</i> | <b>Hurakan</b> | <b>Mexicana</b> |
| Please state the reason(s) for your preference:                        |                |                 |
|  |                |                 |

| Recommendation   |                 |             |                |
|--|-----------------|-------------|----------------|
| Circle the varieties you recommend for North Dakota gardeners: |                 |             |                |
| <b>Hurakan</b>   | <b>Mexicana</b> | <b>Both</b> | <b>Neither</b> |

Please write any additional comments on back. They are very helpful!
