

My 4-H Project Story

I am applying for the _____ project award.

I was _____ years old as of September 1, 2023.

I have been enrolled in 4-H for _____ years.

I have been enrolled in this project for _____ years.

In this story you are encouraged to include information on what you have done in your project over the past year. Information could be general project information such as what you have learned this year, contests or demonstrations you have done in this project area, or exhibits that you took to the fair in this project area. Also include any interesting stories that you may have about your project.

Be creative! Have fun!
