

Title

Managing A Silent Killer: An Evidence-Based Update on Hypertension Treatment

Course Description:

The webinar will be focused on the current guidelines for hypertension. This will be focused on the pharmacist's role in assisting patients with managing hypertension. The webinar will provide patient care examples on routine and resistant hypertension care.

Date

04/09/2024

Location:

Fargo, ND

Learning Objectives:

Upon successful completion of this knowledge-based course pharmacists should be able to:

1. Interpret 2017 ACC/AHA guidelines for hypertension management.
2. Discuss evidence supporting lower BP goals for the hypertension treatment.
3. Compare and contrast recommendations for managing resistant hypertension and routine hypertension care.

Faculty:

Joseph Saseen, PharmD, BCSP, BCACP

Associate Dean for Clinical Affairs Professor, Department of Clinical Pharmacy;

Skaggs School of Pharmacy and Pharmaceutical Sciences, University of Colorado Anschutz Medical Campus

Faculty Disclosures:

Dr. Saseen disclosed that he is a monitoring board member for two large CV outcome trials evaluating lipid medications for AMGEN. All relevant financial relationships have been mitigated.

Off-label use of medications will not be discussed during this presentation.
