Time flies! We've entered the month of October, fall is in the air, and it's already time to start planning for next semester. Open up [Bison Advise](#) this week and schedule an appointment with your advisor to talk about your progress and plan your next classes.

This week, it's important to check your account for holds in [Campus Connection](#) and get them resolved. It's also a great time to look at [Degree Map](#) and play around with potential schedules. Thinking about changing your major? Explore the [Focus 2 Career Exploration Tool](#) to look at majors and career paths that may be a good fit.

Taking just a little time now to make sure your path is clear to register for spring will save you time and frustration in a few weeks!

We collectively acknowledge that we gather at NDSU, a land grant institution, on the traditional lands of the Oceti Sakowin (Dakota, Lakota, Nakoda) and Anishinaabe Peoples in addition to many diverse Indigenous Peoples still connected to these lands. We honor with gratitude Mother Earth and the Indigenous Peoples who have walked with her throughout generations. We will continue to learn how to live in unity with Mother Earth and build strong, mutually beneficial, trusting relationships with Indigenous Peoples of our region.
