| *Substitute course/Transfer credits. See reverse side. Total Credits Required 71 Total Credits _____ **To be completed by Graduate School | | | | | |

Note: (1) These classes are waived if advisor approves. (2) An advanced human development class is required if that requirement is not already met in the candidate's Master's Degree; if the requirement is met, an elective 3 credit graduate course must be substituted. (3) An additional 3 credit statistics class is required as approved by the student's committee. Minimal internship and practicum credits total 6 and minimal dissertation credits total 10.

It is also recommended that other graduate classes be considered as elective in addition to those above, or as substitutes with committee approval.

Substitute Courses/Transfer Credits: Those substitute/transfer courses marked with an * on the reverse side must be listed here. Include the name of the institution. (Official transcripts showing completion of credit to be transferred from other institutions must be on file in the Graduate School PRIOR to approval of the Plan of Study.) The Supervisory Committee recommends the following substitute/transfer credits to satisfy degree requirements.
