WELL-BEING IS A DYNAMIC, HIGHLY INTERDEPENDENT STATE THAT IS CREATED AT THE INTERSECTION OF HEALTH IN PERSON, PLACE AND PLANET.

**We want to help make NDSU a supportive
environment where all are empowered to
advance well-being.**

Because this can look and feel different
for everyone, we ask you to consider:

- What does well-being mean to you?
- How can you be a part of creating a
community of well-being?
