Subject: Economic Value of Soybeans
Date: Thursday, December 30, 2021 2:10:39 PM

All,

Thank you for the opportunity to testify in Dickinson on behalf of the ND Soybean Council and the soybean producers of ND. In the testimony I referenced soybeans value at 2 billion dollars and was asked to check the source of that amount. The source is the National Ag Statistics Service and the number is for 2020 production. The link to the site is:

Thank you for you time and efforts on the behalf of ND

Happy New Year.
