

# Final Examination Information

**Date, Time & Location:** Thursday, May 3; 10:00 a.m. – 11:50 a.m.; Pearce Hall, Room 326.

**Material Covered:** The final examination is cumulative (covering Chapters 1 – 5 from the textbook). The exam will consist of group theory questions that are similar to Algebra Qualifying Exam questions.

**Some Guidelines:**

- Calculators, notes, and books are not permitted.
- Paper will be provided for you. The only items you will need to bring to the exam are pencils and/or pens.
- You are allowed to bring food and/or drinks to the exam. However, please be considerate of your classmates by not making much noise while eating and drinking.
