Stay connected with NDSU's latest highlights — featuring groundbreaking campus news, exceptional faculty and staff achievements, major media spotlights and more!

SPREADING THE WORD

The Marketing and Communications team and academic departments across campus are playing a pivotal role in bringing the New Horizon initiative to life by crafting strategic program campaigns geared toward prospective students. Through unified branding, compelling visuals and targeted messaging across digital channels and earned media, these campaigns are highlighting the new and innovative programs NDSU is starting to offer across disciplines in engineering, precision agriculture, energy, pharmacy and health sciences.

BISON SPOTLIGHT

Dawn Holm, an office assistant for NDSU Dining, is our Bison Spotlight this month. With 35 years of dedicated service on campus, Holm has played an integral role in creating welcoming dining experiences that ensure students and guests feel at home with every meal. Dining has received numerous awards and honors over the years for its efforts to ensure students have nutritional, innovative and high-quality meals, including allergies-free options. Holm credits the strong, committed dining team as one of the highlights of her career, finding joy in the camaraderie and shared mission of serving the Bison community. For Holm, working at NDSU has been more than a job, it's been a rewarding journey defined by teamwork, service and the daily opportunity to make a difference in students' lives.

Click the photo below to read Holm's story.

“I enjoy the whole NDSU community. The students may change, but the work ethic that we see in the young people keeps me coming back day after day. The teamwork in the NDSU community is a strong support system.”

— Dawn Holm, office assistant with NDSU Dining

RESEARCH RECAP

As an R1, land-grant institution ranked among the nation’s top 100 public research universities, NDSU is driving innovation through groundbreaking research that serves North Dakota and beyond. From emerging technologies to community-focused studies, our faculty, staff and students are advancing knowledge and creating real-world impact. Stay connected to the latest discoveries shaping the future at NDSU.
