STUDENT FEES

NDSU Student Fees = \$47.84 per credit

- Activities
- Union Bond
- Student Health
- Wellness Center
- Career Services
- Library

NDSU Technology Fee = \$11.14 per credit

ND University System Fees = \$5.54 per credit

Per Credit - Fall/Spring \$64.52

Full-Time (capped) - Fall/Spring \$774.18

Per Credit - Summer (reduced activity fee) \$58.72

COURSE FEES

- Field/Study Trips
- Study Abroad
- Student Teaching Practicum
- Music Lessons
- Aviation

Note: Each course fee is unique and charged based on actual cost.

GPIDEA Per-Credit Rate

\$370.48 (1-12 credits)
 \$435.00 (13+ credits)

High School

\$148.42 per credit

UNDERGRADUATE KEY:

A. Architecture, Nursing and Pharmacy differential tuition rates are assessed on all credits of students admitted to professional programs overseen by each of the respective Colleges.

B. Engineering differential tuition is assessed on all credits of students admitted to an academic program overseen by the College of Engineering. Examples of engineering majors include: pre-Engineering (including those with undecided majors/concentrations), Agriculture & Bio Systems, Civil, Construction Engineering/Management, Electrical, Environmental, Industrial, Mechanical and Manufacturing, and Computer Science.

C. Business differential tuition is assessed on all credits of students admitted to an academic program overseen by the College of Business. Examples of business majors include: Accounting, Business Administration, Finance, Management, Management Information Systems, Marketing and Global Business. Students that were admitted to the program as a pre-major will be automatically enrolled in to the professional major when the admission requirements (e.g. 2.5 cumulative GPA, completed/enrolled in five core courses) are met. Students requesting not to be admitted must opt out by the deadline established by the College of Business.

D. Students with majors outside the College of Business, who have declared a minor or certificate within the College of Business, will be charged tuition in accordance with their declared major. However, these students will be charged additional tuition only on credits offered through the College of Business major but have been admitted to a minor in Accounting, Business Administration, Fraud Investigation, Logistics or Management Information Systems; or a Certificate in Entrepreneurship or Professional Selling.

E. Students enrolled in the dedicated online program option may be charged at the ND tuition rate regardless of residency.

Students who have declared multiple majors are billed at a single tuition rate corresponding with the highest programmatic rate of the student. Students enrolled in multiple careers (e.g. both undergraduate and graduate) may be billed separately for each and the tuition cap does not apply across careers.

* MN residents not approved by the MNOHE to receive the discounted tuition rate will be charged as MSEP. The pharmacy program is excluded from the ND/MN reciprocity agreement. Pharmacy students from MN will be charged the MSEP rate unless approved for the MN rate as undergraduates.

Contiguous Provinces & States: Manitoba, Saskatchewan, Montana, South Dakota.

WUE States/Territories: Alaska, Arizona, California, Colorado, Hawaii, Idaho, Nevada, New Mexico, Oregon, Utah, Washington, Wyoming, Commonwealth of the Northern Marianas Islands, Guam

MSEP States: Indiana, Kansas, Minnesota*, Missouri, Nebraska, Ohio, Wisconsin. *MN students not approved for the MN Reciprocity Rate.

Audit Rate: 50% of the base residency rate.
